Adults Enjoying the Piano Together
4-week workshops ~ We focus on music & joy!

Thank you for your interest in “Adults Enjoying the Piano Together” workshops.

Begin the registration process by [reading this page](#) and [printing page two](#).

Advantages of registering at least two weeks in advance

- You are more likely to get into your first or second choice workshop. (**Some workshops fill quickly.**)
- Materials will be available for you during your first workshop.
- You have 72 hours after your first Book One A class to receive a *refund.

Advantages of registering at least 24 hours in advance

- Your preferred workshop is more likely to be offered. (**Some workshops fill slowly.**) If your preferred workshop does not have three people registered 24 hours in advance, it will be cancelled. You will be notified ONLY if you have registered at least 24 hours in advance.
- You have 72 hours after your first Book One A class to receive a *refund.

Disadvantages of registering at the last minute or as a walk-in

- Your preferred workshop might already be filled.
- Your preferred workshop might have been cancelled, for lack of three people registered 24 hours in advance. You won't know about the cancellation in advance, and you will waste a trip to the studio.
- You may have to wait for your CD/home materials, so your first week of practice will not be as effective.

Please register in advance, so that we can plan for YOU!

We now accept checks, PayPal payments and credit cards. After you mail or email your registration form to me, I will invoice you for the “total due” (registration plus tuition) via PayPal, using the email address you provide. You should be able to pay by credit card using PayPal, even if you don't have a PayPal account.
Please note the following about PayPal and credit card payments.

1) Your registration is complete after registration form AND payment are received. The "date of registration" is the date I receive your check, PayPal or credit card payment. I urge you to complete registration and payment as soon as possible to receive the best rate and the highest priority in workshop assignments.

*2) If you withdraw before your workshop begins or within 72 hours of your first Book One A class, tuition paid via check will be fully refunded. If you paid by PayPal or credit card, tuition will be refunded, minus a \$5 fee to help cover the processing fee.

You will receive an **emailed** confirmation shortly after I receive your registration and/or payment. Most of my communication with students is **by email**. If you do not use email on a regular basis, please note this on your registration form and suggest another option.

I look forward to playing the keyboard, drumming, moving and singing with you very soon. Please check the website, email, or call if you have any questions.

Joy!
